

CONSUMER CARE INSTRUCTIONS

STORAGE

Delta Three Oscar™ products should be stored at room temperature, in a ventilated dry place, out of direct sunlight. Do not store under heavy objects. Do not store in extreme temperatures. If wet after use, ensure your Delta Three Oscar™ product is dry before storing. Never fold your Delta Three Oscar™ product.

WASHING / DRYING

If applicable, Delta Three Oscar™ protectors should be removed carefully from the garment before washing. Delta Three Oscar™ protectors are wipe-clean only, using a damp cloth. NEVER use cleaners or detergents on or launder your Delta Three Oscar™ product. This may result in irreparable damage and will severely reduce the effectiveness of your Delta Three Oscar™ product. After washing, allow to dry in a ventilated space at room temperature; do not use hair dryers or other heaters to dry your Delta Three Oscar™ product.

MAINTENANCE

Never modify any part of your Delta Three Oscar™ product. Protectors should be inspected before use for signs of wear and/or damage and replaced if necessary. If your protector has suffered a sustained blunt impact it should be discarded and replaced. Please note: No personal protection equipment can offer complete protection against all injuries. The user hereby agrees to absolve the manufacturer of all liability in respect of any personal injury. Delta Three Oscar™ component shape must be maintained at all times.

Please note: No personal protection equipment can offer complete protection against all injuries. The user hereby agrees to absolve the manufacturer of all liability in respect of any personal injury.
