

HALO™ 3 BALLISTIC HELMET LINER

Delta Three Oscar™ uses rate sensitive, soft and flexible D3O® materials for shock absorption and impact protection applications.

The world's lightest, most comfortable ballistic helmet liner. Delta Three Oscar Halo™ 3 outperforms the next best competitor across all conditions and shell sizes of the 10fps ACH blunt impact standard while being 25% lighter.

PRODUCT FEATURES

- Lightest helmet liner to exceed ACH blunt impact requirements (AR/PD 10-02)
- Most comfortable liner on the market with plush, full coverage fit
- D3O-proven blunt impact performance consistency from 1st to 2nd impact
- Unmatched thermodynamic impact consistency thanks to all-new D3O® technology
- Available either in single thickness (0.75" and 1")
- 2 liner sizes (S/M/L and XL) available to accommodate all shell sizes
- Versatile, self-conforming crown pad accommodates a number of comms headset configurations
- Ventilation and moisture management via integrated air channels
- Compatible with most Aramid and PE ACH, LW-ACH, MICH, ECH, LWH-type shells
- Premium anti-bacterial treated, moisture wicking MILSPEC fabrics
